

The Wildcat Foundation

We are so excited about the future of The Wildcat Foundation and are continually looking for new supporters like you that are interested in helping the young men and women of North Little Rock High School.

The Board works hard to identify and meet the needs of the students and teachers of NLRHS. The Foundation does this in many different areas including student programs, scholarships and teacher grants. Our goal is to distribute funds efficiently so that we impact the highest number of students per dollar spent.

Your donation is greatly appreciated and we thank you for your continued support of The Wildcat Foundation. You have helped change the lives of so many students and we look forward to your continued support in the future.

We look forward to seeing you soon!

Thank you,

Luke King, President

The Wildcat Foundation
